

ABOD TANTAWI

Interior designer

I am an interior designer driven by passion rather than title. My journey began at the age of 11, when I witnessed my first interior design project come to life. That moment sparked a deep fascination with space, detail, and creativity, and shaped the path I chose to follow.

Since then, I have continuously developed my skills both academically and practically, eventually graduating with a degree in Interior Design. Today, I approach every project with a strong focus on creativity, precision, and understanding the client's needs.

Although I am at the beginning of my professional journey, my ambition is limitless. I strive to create modern, functional, and elegant designs, and I aim to leave a distinctive mark in the world of interior design.

ABOUT ME

Creative interior designer who believes that spaces should have a soul. I enjoy experimenting with materials, light, and color to create interiors that feel bold, alive, and emotionally engaging. Always seeking new ideas and unconventional design approaches.
